**Resolution of the Board of Directors of
The University Corporation, San Francisco State
Honoring Jason Porth on the Occasion of his Retirement**

WHEREAS, Jason Porth served the San Francisco State University community for over 18 years working in a variety of positions and most recently held a dual role as the Vice President of University Enterprises – consisting of The University Corporation, SF State Capital Planning, Design and Construction, Sustainability, Real Estate Development, and Downtown Campus Operations – and as the Executive Director of The University Corporation, SF State; and

WHEREAS, Jason Porth retired from the University on March 8, 2024 after a distinguished career of service to the campus community; and

WHEREAS, Jason Porth demonstrated both a love for the campus community and a commitment to service, most notably the gracious, thoughtful, and supportive way that he was able to build relationships with his colleagues across the campus and those he served; and

WHEREAS, during his tenure with the University, Jason ensured the success of a variety of important and meaningful projects that improved the campus community and enriched the lives of students, staff, members of the faculty, and those within the greater community:

- Oversaw the completion of Manzanita Square by leading efforts in securing the agreement with a developer for a public private partnership (P3) to building a state-of-the-art housing project and commercial space;
- Spearheading the life safety measures to keep Sierra Nevada Field Campus open and thriving;
- Oversaw the new Science Building and Marcus Hall planning and construction and new housing to increase on campus student housing;
- Oversaw improved vendor relationships and bringing new vendors to campus.
- Spearheaded the creation and implementation of the Gator Pass- a transit pass that gives free and discounted rides for our students.
- Oversaw the establishment of a formal institutional governance structure for the UCorp investment program.
- Led the Faculty and Staff Housing Taskforce and helped explore options leading to potential affordable housing solutions in the near future.
