

UCORP FUNDRAISING EVENTS POLICY

Effective Date: January 4, 2016

Policy Statement

The University Corporation, SF State (UCorp), is adopting the university Fundraising Events Policy UED #15-43 The Administration, Management and Oversight of Fundraising Events which is in accordance with the California State University (CSU) Policy 15701.00, please reference the Fundraising Event UED #15-43 attached. UCorp will incorporate a review of all special events with a cost of \$1500 or higher.

UCorp Fundraising Events

The campus Fundraising Events policy has been adopted entirely by UCorp. All fundraising events as defined by the UED #15-43 must be authorized prior to the event by VP or Unit Head or AVP/Dean or appropriate designee. All UCorp fundraising events must be approved by the Executive Director, in addition to those authorized to approve fundraising events by the campus fundraising events UED #15-43.

Many special events are administered under UCorp projects, in which not all rise to the level of a true Fundraising Event. UCorp will review all special events with projected cost of \$1500 or higher in order to validate that all Fundraising Events are appropriately administered and approved. UCorp will require a Special Events form to be completed for those events costing \$1500 or higher providing specific details about the event for review. Proper administration and review would entail an event budget, review and approval of promotional material, vendor contracts and agreements approved by appropriate UCorp personnel, compliance with federal, state and local regulations and risk mitigation.
