

Dear UCorp-Executive Committee,

PLI is seeking a loan from U Corp to do some work at the Fort Miley Ropes Course so that they can reopen (as described in the attached). I want to be sure our executive committee is on board; while our policy allows me to approve deficit spending by a project with the dean's support, I feel the executive committee should be apprised and offer its support given the amount.

UCorp Board is inviting you to a scheduled Zoom meeting.
